

Your little adventure starts here

A complete two-puzzle sample. The full pack is a separate six-station adventure.

Moonlight Mission

Made for Alex

A tiny message has arrived for Alex. Before the big adventure, your team can complete a two-puzzle warm-up. Count carefully, spot a pattern, and tell your grown-up guide the two-digit code.

GROWN-UP SETUP

Print these four pages. Keep page 4 (answers) with the adult. Give players page 2 and a pencil. Work together, then write the two-digit code on page 3. Allow around 5-10 minutes. No scissors, locks or hiding needed.

Print at 100% / Actual size. Colour is optional. A grown-up should stay with the players and read aloud if helpful.

Two little puzzles. One secret code.

1. LOOK CLOSELY

Count only the stars. Ignore circles and triangles.

2. WHAT COMES NEXT?

Keep the same counting pattern going. What is the missing number?

2

3

4

?

Write your two answers on page 3. A grown-up can give you a hint if you get stuck.

Our mini mission is complete

PUZZLE 1

PUZZLE 2

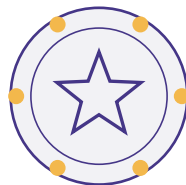

Tell your grown-up guide the two-digit code.

MINI ADVENTURE CERTIFICATE

Alex

and a brilliant team of puzzle explorers

You looked carefully, shared your ideas and solved two puzzles together. Well done!

The grown-up's mini guide

The mini code is 35.

1. LOOK CLOSELY

Answer: 3. There are three stars. Hint: point to each matching shape once as you count.

2. WHAT COMES NEXT?

Answer: 5. The pattern is 2, 3, 4, 5. Hint: count up by one each time.

WHEN THE CODE IS CORRECT

Celebrate the team's effort. Ask: What helped you solve it? Who had a useful idea? Give everyone a turn to explain their thinking.

Ready for the bigger adventure?

The full game includes six puzzle stations, a team code sheet, a grown-up answer key and a certificate. The complete party pack adds invitations, bunting, name tags and a party run sheet.
